Dear Bryan:

I am very pleased to offer this letter of reference for MicroTech Systems, Inc.

You and the staff of MicroTech Systems have been and continue to be extremely accommodating in addressing the specific and varied needs of our Chamber since March, 2004. You are always very helpful in assisting us in choosing the hardware, software and support products that meet all of our needs and stay within our budget. Your willingness to develop specialized programs that are unique to our non-profit organization and your efforts to gain a thorough understanding of our operations has resulted in a perfect solution for our office.

I can easily refer other businesses, and do, to MicroTech Systems and feel confident that you will provide wonderful service. It is always a pleasure working with you and your staff. Thank you!
